1. 2024 Business Report and 2025 Business Plans

Dear shareholders:

In 2024, we overcame numerous challenges and delivered remarkable results. Our annual consolidated revenue reached NT\$4.623 billion, representing a 23% year-over-year increase and marking a historic high for the Company. Despite this achievement, we are entering 2025 amidst increasingly volatile external conditions. The economic outlook in China remains uncertain, and the imposition of higher import tariffs by the United States is intensifying global supply chain competition. In response, we are proactively enhancing our internal competitiveness as a strategic countermeasure. This year, our management priorities are focused on stringent cost control, accelerating time-to-market for new products, and expanding into emerging markets. We are continuing the strategic direction set forth last year. In particular, our India operations are expected to begin volume production and shipment in the first half of the year. While the Indian market remains relatively unfamiliar and carries a degree of risk, it also represents one of the most promising growth opportunities globally. With cautious optimism, we plan to allocate additional resources to capture this potential. In parallel, we are initiating strategic alliances with partners that offer complementary strengths, enabling us to co-develop new products and jointly explore market opportunities. In China, our AR-HUD product has secured the leading market position, and we look forward to leveraging this success to promote our globally exclusive 3D AR-HUD technology and secure more OEM projects. In Southeast Asia, we will continue to diversify our product offerings and expand our customer base. Meanwhile, in the U.S. and European markets, we are actively pursuing product qualification processes with key customers, while positioning our offerings as competitive alternatives to the Chinese supply chain. Through these initiatives, we aim to sustain long-term growth, enhance shareholder value, and solidify our leadership in the global automotive electronics industry.

To strengthen our competitive advantage in the year ahead, we have developed strategic plans focused on the following three key areas:

1. **Organizational Efficiency:** We will leverage AI and other digital tools to enhance operational efficiency, reinforce risk management, and improve our supply chain resilience and responsiveness.
2. **Product Development:** We will continue to expand our product portfolio, including 3D AR-HUD, AI VPA, PHUD, and E-mirror systems, while exploring broader applications for intelligent cockpit solutions in both two-wheel and four-wheel vehicles.
3. **Market Expansion:** We will accelerate business development in emerging markets such as India, and capitalize on reshoring trends in Europe and the U.S. resulting from China's supply chain decoupling.

In light of increasing economic uncertainties this year, the Company is fully equipped to confront challenges and transform them into opportunities, with a continued commitment to pursuing new business prospects and achieving exceptional results.

Independent Auditors' Report

To E-LEAD Electronic Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of E-LEAD Electronic Co., Ltd. and its subsidiaries (the “Group”) as of 31 December 2024 and 2023, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended 31 December 2024 and 2023, and notes to the consolidated financial statements, including the summary of material accounting policies (together “the consolidated financial statements”).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Group as of 31 December 2024 and 2023, and their consolidated financial performance and cash flows for the years ended 31 December 2024 and 2023, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed and became effective by Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the “Norm”), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits and the report(s) of the other auditor, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2024 consolidated financial statements of the Group. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Allowance for losses on accounts receivable

As of 31 December 2024, the carrying amounts of accounts receivable and allowance for losses were NT\$1,146,488 thousand and NT\$25,522 thousand, respectively, and the net accounts receivable accounted for 24% of total assets, which was significant to the Group. As the allowance for losses is measured by the expected amount of credit losses over the life of the asset, the assumptions used in the measurement involve significant management judgement. We therefore determined this a key audit matter.

Our audit procedures include, but are not limited to, obtaining an understanding of, and testing the effectiveness of, the internal control system established by management over the collection of accounts receivable; Analyzing changes in accounts receivable and changes in turnover rates over the period and testing the collection of accounts receivable after the period to assess recoverability; Review the breakdown of accounts receivable at the end of the period and recalculate the reasonableness of the allowance for losses on accounts receivable based on the classification of individual credit groups and the expected loss rate as assessed by management. We have also considered the appropriateness of the disclosure of accounts receivable in Notes 5 and 6 to the consolidated financial statements

Evaluation of allowance for losses on decline in value of inventories and obsolescence of inventories

As of 31 December 2024, the net inventory of the Group was NT\$850,785 thousand, representing 18% of total assets. Due to the uncertainty arising from rapid changes in product technology and market demand, the allowance for losses on decline in value and obsolescence of inventories involve significant management judgment, we therefore determined this a key audit matter.

Our audit procedures include, but are not limited to, obtaining an understanding of, and testing the effectiveness of, management's internal control over inventory, including obtaining an understanding of the reasonableness of management's policy for the allowance for losses on decline in value and obsolescence of inventories; assessing management's inventory planning, selecting significant inventory locations and conducting physical observations of inventory counts to confirm the quantity and condition of inventories; testing the adequacy of the allowance for losses on decline in value of inventories. This includes testing the reasonableness of the net realizable value of inventories by reviewing a sample of evidence relating to the purchase and sale of inventories, obtaining a sample of inventory ageing schedules to test the correctness of the ageing calculations and recalculating the reasonableness of the allowance for losses on obsolescence of inventories. We also considered the appropriateness of the disclosures in Notes 5 and 6 to the consolidated financial statements.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of the Group, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Group.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Group. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2024 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

E-LEAD Electronic Co., Ltd. has prepared its parent only financial statements for the years ended 31 December 2024 and 2023, and we have issued an audit report with an unqualified opinion for reference purposes.

Independent Auditors' Report

To E-LEAD Electronic Co., Ltd.

Opinion

We have audited the accompanying parent company only balance sheets of E-LEAD Electronic Co., Ltd. (the “Company”) as of 31 December 2024 and 2023, and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years ended 31 December 2024 and 2023, and notes to the parent company only financial statements, including the summary of material accounting policies (together “the parent company only financial statements”).

In our opinion, the parent company only financial statements referred to above present fairly, in all material respects, the financial position of the Company as of 31 December 2024 and 2023, and its financial performance and cash flows for the years ended 31 December 2024 and 2023, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audit in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China; Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the “Norm”), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits and the report(s) of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2024 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Allowance for losses on accounts receivable

As of 31 December 2024, the carrying amounts of accounts receivable and allowance for losses were NT\$768,837 thousand and NT\$205 thousand, respectively, and the net accounts receivable accounted for 21% of total assets, which was significant to the Company. As the allowance for losses is measured by the expected amount of credit losses over the life of the asset, the assumptions used in the measurement involve significant management judgement. We therefore determined this a key audit matter.

Our audit procedures include, but are not limited to, obtaining an understanding of, and testing the effectiveness of, the internal control system established by management over the collection of accounts receivable; Analyzing changes in accounts receivable and changes in turnover rates over the period and testing the collection of accounts receivable after the period to assess recoverability; Review the breakdown of accounts receivable at the end of the period and recalculate the reasonableness of the allowance for losses on accounts receivable based on the classification of individual credit groups and the expected loss rate as assessed by management. We have also considered the appropriateness of the disclosure of accounts receivable in Notes 5 and 6 to the parent only financial statements.

Evaluation of allowance for losses on decline in value of inventories and obsolescence of inventories (including inventories of subsidiaries accounted for using the equity method)

The inventories of the Company and those of its subsidiaries accounted for using the equity method are material to the financial statements. Due to the uncertainty arising from rapid changes in product technology and market demand, the allowance for losses on decline in value and obsolescence of inventories involve significant management judgment, we therefore determined this a key audit matter.

Our audit procedures include, but are not limited to, obtaining an understanding of, and testing the effectiveness of, management's internal control over inventory, including obtaining an understanding of the reasonableness of management's policy for the allowance for losses on decline in value and obsolescence of inventories; assessing management's inventory planning, selecting significant inventory locations and conducting physical observations of inventory counts to confirm the quantity and condition of inventories; testing the adequacy of the allowance for losses on decline in value of inventories. This includes testing the reasonableness of the net realizable value of inventories by reviewing a sample of evidence relating to the purchase and sale of inventories, obtaining a sample of inventory ageing schedules to test the correctness of the ageing calculations and recalculating the reasonableness of the allowance for losses on obsolescence of inventories. We also considered the appropriateness of the disclosures in Notes 5 and 6 to the individual financial statements.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of the Company, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of the Company.

Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2024 parent only financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

 - 6.6.1 Where a shareholders meeting is held online, the Company shall keep records of shareholder registration, sign-in, check-in, questions raised, votes cast and results of votes counted by the Company, and continuously audio and video record, without interruption, the proceedings of the virtual meeting from beginning to end.
 - 6.6.2 The information and audio and video recording in the preceding paragraph 6.6.1 shall be properly kept by the Company during the entirety of its existence, and copies of the audio and video recording shall be provided to and kept by the party appointed to handle matters of the virtual meeting.
 - 6.6.3 In case of a virtual shareholders meeting, the Company is advised to audio and video record the back-end operation interface of the virtual meeting platform.
- 6.7 Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in, and the shares checked in on the virtual meeting platform, plus the number of shares whose voting rights are exercised by correspondence or electronically.
 - 6.7.1 The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one-third of the total number of issued shares, the chair shall declare the meeting adjourned. In the event of a virtual shareholders meeting, the Company shall also declare the meeting adjourned at the virtual meeting platform.

- 6.7.2 If the quorum is not met after two postponements as referred to in the preceding paragraph 6.7.1, but the attending shareholders represent one-third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month. In the event of a virtual shareholders meeting, shareholders intending to attend the meeting online shall re-register to the Company in accordance with Article 6.4.6.
- 6.7.3 When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.
- 6.8 If a shareholders meeting is convened by the board of directors, the meeting agenda shall be set by the board of directors. Votes shall be cast on each separate proposal in the agenda (including extraordinary motions and amendments to the original proposals set out in the agenda). The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting.
- 6.8.1 The provisions of 6.8 apply mutatis mutandis to a shareholders meeting convened by a party with the power to convene that is not the board of directors.
- 6.8.2 The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding paragraphs 6.8 and 6.8.1 (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.
- 6.8.3 The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extraordinary motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.
- 6.9 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.
- 6.9.1 A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

- 6.9.2 Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.
- 6.9.3 When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.
- 6.9.4 When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.
- 6.9.5 After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.
- 6.9.6 Where a virtual shareholders meeting is convened, shareholders attending the virtual meeting online may raise questions in writing at the virtual meeting platform from the chair declaring the meeting open until the chair declaring the meeting adjourned. No more than two questions for the same proposal may be raised. Each question shall contain no more than 200 words. The regulations in Articles 6.9 to 6.9.4 do not apply.
- 6.9.7 As long as questions so raised in accordance with the preceding paragraph 6.9.6 are not in violation of the regulations or beyond the scope of a proposal, it is advisable the questions be disclosed to the public at the virtual meeting platform.
- 6.10 Voting at a shareholders meeting shall be calculated based the number of shares.
 - 6.10.1 With respect to resolutions of shareholders meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares.

 - 6.10.3 The number of shares for which voting rights may not be exercised under the preceding paragraph 6.10.2 shall not be calculated as part of the voting rights represented by attending shareholders.
 - 6.10.4 With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.
- 6.11 A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under Article 179, paragraph 2 of the Company Act.

- 6.11.1 When the Company holds a shareholder meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoid the submission of extraordinary motions and amendments to original proposals.
- 6.11.2 A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph 6.11.1 shall deliver a written declaration of intent to the Company before two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.
- 6.11.3 After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person or online, a written declaration of intent to retract the voting rights already exercised under Article 6.11.2 shall be made known to the Company, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.
- 6.11.4 Except as otherwise provided in the Company Act and in the Company's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.
- 6.11.5 When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.
- 6.11.6 Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of the Company.

- 6.11.7 Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting.  - 6.12.1 The ballots for the election referred to in the preceding paragraph 6.12 shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least one year.
